

## P CLIP NYLON

Cabac "P" clips provide an economical and secure way to mount cables and looms to just about anything. The cable loom etc is simply slipped in to the clip and then the clip can be screwed or bolted to walls, cabinets etc. They are made from Nylon 66 and are very durable in most applications. The edges are radiused to stop the clip damaging the cable. Available in black or natural.

- Material: Nylon 66 94V-2 UL approved
- Colour: Black or natural
- Operating temperature: -400°C to 900°C
